

Hybrid Teaching and Collaborative Learning in EAP

Opportunities and Challenges

Ella Dovhaniuk, Frank Lauterbach
University of Osnabrück

Why a Workshop on Hybrid Teaching?

- useful teaching format in EAP?
- our experience when integrating Ukrainian students into our EAP courses
- remaining doubts about the effectiveness of hybrid teaching

Opening Questions

- As an EAP practitioner, do you see more advantages or more disadvantages in hybrid teaching?
- Do you think that student groups more likely profit or more likely do not profit from hybrid teaching?
- In your view, does hybrid teaching support or interfere with the individual learning process?

Concluding Question

How likely is it that you will (or will want to) teach your EAP courses hybridly in the future?
