

15 Years of Password English Language Testing

You are cordially invited to an afternoon of celebrations and networking to celebrate 15 years of Password. We will also be showcasing our new test, Password Skills Plus, our first “at home” secure English language admissions test. The new test which is launching in September is sold directly to students, delivered by Password, and reliably invigilated by our partner Examity.

We will be joined by Caroline Nixon, International and Membership Director of the Boarding Schools’ Association, who will talk about building better relationships between schools and universities to enhance international student recruitment.

Network and make connections with Password partner schools, pathway providers and universities and join us for cocktails, canapés and some lively jazz at the end of the afternoon.

Date: Tuesday 8th November 2022

Time: From 2.30pm to 7pm

Place: Society of Antiquaries
